

Greccio Housing is a Qualified El Paso County Enterprise Zone Organization

*Contribute to Greccio Housing through the Enterprise Zone:
help provide affordable housing for working families and individuals and SAVE ON YOUR TAXES.*

Your donation to Greccio Housing can be made in one of two ways: 1) directly to Greccio or 2) through the El Paso County Enterprise Zone Administrator. Donations made through the Enterprise Zone qualify for the Colorado Enterprise Zone Tax Credit. This credit is taken on your Colorado income tax return and amounts to 25% of your cash donation. The minimum donation is \$500; the maximum is \$100,000. However, as you can see below, the after-tax cost is much lower.
