Clean-Air Initiative

for all Greccio Apartments begins January 1st, 2019

Due to the increased risk of fire and the known health effects of second hand tobacco smoke, smoking is prohibited at your apartment property, to include apartment units, laundry areas, common areas, balconies, and anywhere outside within 25 feet of the property. This policy applies to all employees, residents, guests, visitors, and vendors.

For those looking to kick the habit, we will have tables set up in the lobby with information and goodie bags on January 3rd & 4th.
